Dear Licensing Division,

I am writing in regard to Case No. 2016-330016 for my client, Wael Jelaidan. Last month I left a voicemail and sent a letter (attached) requesting an update on the status of the license, as I am under court order to report to the court every 30 days the status of the application and my efforts to obtain the license from OFAC.

The automated response system on 202-622-2480 notes that the case is still pending as of today when I call, but any more information I could use to satisfy the Court about the status of the application would be very helpful. I was also able to reach an information specialist today on this number who informed me the case had been assigned to a case officer named Jae. She transferred me to his phone where I left a message explaining the above as well.

Please let me know if there is anything else you need for the application, and what the status is so that I may inform the Court.

Sincerely,

Martin F. McMahon, Esq.
